**Subject:** Project proposal under HRD and promotional activity scheme 2021-22 to 2025-26.

**Reference:** File. No.2/29/2020-W&WT, Min. of Textiles, Govt. of India- IWDP guidelines

Dear Sir,

This is with reference to above cited file number regarding the approved guideline of the integrated wool development programme (IWDP) for 2021-22 to 2025-26. The central wool development board has rightly emphasized upon Indian wool and showed keen interest in newer research and development projects. In this context, a 02 year research project entitled "Coarse wool keratin nanofibre preparation and its application in meditech" is being submitted for your kind perusal. The detailed project proposal as per the annexure provided in the guidelines is enclosed herewith. The short CV of the principal investigator (PI) is also attached to highlight the expertise in the area of nanofiber preparation. I would be glad to provide any additional information regarding the project.

I look forward to hearing from you.

Thanking you,
